How does OpenSushi work?

**ORDER ALL YOUR FAVORITE DISHES AS MANY TIMES AS YOU WANT
AT A FIXED PRICE OF €29.90**

Possible limitations and supplements are indicated in the menu.

To offer you the best possible service and prepare your dishes with love and care,
you can order a maximum of 3 dishes each for each round.

Starting from the third round, to place a new order, you must have finished
all the dishes on the table.

DON'T OVERDO IT!

Let's limit waste together!

If, at the end of lunch or dinner, **more than 3 pieces per person are left**, a supplement of €1 will be applied for each piece left, and you can take the leftovers home.

If **less than 3 pieces per person are left**, no supplement will be applied.

**The choice of the OpenSushi formula is mandatory
for all people at the table**
